

Playground Replacement Survey Report

The Fargo Park District invited the community to help choose the playground design for Tharaldson Little League Complex, Rheault Farm Park and Fox Run Park. The survey was open March 16-31. We had over 550 participants. The community could participate in one survey or all three.

Thank you to everyone who participated in the playground survey!

These results have been shared with the contractor. Installation will begin summer 2025.

THARALDSON LITTLE LEAGUE COMPLEX

Tharaldson Little League Complex – Design 2

Tharaldson Little League Playground Replacement Survey had 413 responses. The design chosen is a traditional play system which includes Cobra Fusion Spiral Slide, Victory Climber, 360 Loop, and Freedom Swing Seat. The color selection is yellow-colored slides, aqua, gray, black and sapphire-colored accents and sapphire support poles.

RHEAULT FARM PARK

Rheault Farm Park – Design #2

The Rheault Farm Playground Replacement Survey received a total of 457 responses. The option chosen includes the Farm Themed Play System with Luge Slide, 360 Loop, Rock Climber, Pony Rocker and Freedom Swing Seat. The color selection is red with granite-colored slides, white, black and red-colored accents and red support poles.

FOX RUN PARK

Fox Run Park - Design 2

Fox Run Playground Replacement Survey has 569 responses. The play system chosen includes Spiral Slides, Rope Tunnel, Victory Climber, Chimes, the Nido Spinner, Freedom Swing Seat and Sensory Tunnel. The color selection is blue-colored slides, aqua, Spanish moss and ocean-colored accents, and brown support poles.
